Dear Mr. Poulson:

Re: Mining & Reclamation Plan Review, Topaz Mining Property,
Brush Wellman, Inc., ACT/023/003, Juab County, Utah

The Division has reviewed the Draft response to our March 27, 1987 review, submitted June 12, 1987 by Brush Wellman, Inc. Attached is a review describing how the Division's concerns of March 27 have been met, based on the June 12 submittal and the July 7, 1987 mine site tour.

When the additional information required, including the bond calculations, has been submitted the Division can proceed with finalization of the permit.

Please contact myself or Lowell Braxton if we can provide any assistance.

Sincerely,

Susan C. Linner
